

## Refurbishment Asbestos Survey

**Project:** Refurbishment Asbestos Surveys

**Description:** In accordance with the Control of Asbestos Regulations 2012, Surveying Solutions Limited provided a Refurbishment Asbestos Survey on a Church property in Alloa. The survey was carried out on the property to cover refurbishment works to be undertaken. Surveying Solutions have 2 surveyors qualified to MDHS P402 to survey and bulk sample for Asbestos and have provided these services throughout Scotland.

**Programme:** To suit client deadlines

**Client:** Private Client
