

Office Refurbishment and Asbestos Survey

Project: Office Refurbishment, and Limited Refurbishment and Development Asbestos Survey Report

Description: Surveying Solutions Limited were instructed to negotiate a tender for the refurbishment of Bearford House at 39 Hanover Street, Edinburgh, including a Limited Refurbishment and Development Asbestos Survey. The refurbishment project covered full redecoration works, replacement of floor coverings to the various areas within the original tenemental building, including repair to wet rot affected window sills, clearing debris from gutters and replacement of missing slates to main roof slopes.

Project Value: £1.25m

Programme: 12-week contract period

Client: The Joint Properties Limited
